Little Isaac and several the growls of the young leopards in awe, more or less interesting to the shopping puband he seized it. He slipped in under the barrier, put his face close to the eage, and, according to one of the keep ers, spat through the bars. In a flash before the boy could move, a Leavy paw with claws extended shot out between the bars and tell upon Isaac's bead. While his companions -creamed and two keep ers rushed to the cage, the leopard, growling and spitting, pulled the boy,s had toward blim, tearing the scalp off as clean as if the animal's claws had been a surgeon's scalpel. To Continue the War.

Russian securities, which are largely dealt in on the Berlin Boerse, stood the shock of the Port Arthur surrender with scarcely a quiver, Government securities losing one-tenth of I per cent and private companies' shares losing from quarter to half a point. As soon as the report reached the boerse powerful fi-nancial influences immediately met it with statements that the Russian Government would not deviate in the slightest from its determination to fight out the war by repeating the figures recently put forward that Russian finances, as shown by the expenditure of less than \$400,000,000 over the usual budget since the war began, would permit her con-tinuing the war 10 years without reaching a breaking point.

Brutally Tortured.

A case came to I glit that for persistent and nomerciful torture has perhaps gever been equaled. Joe Golobick, of Colosa, Calif, writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely cared me." Just as good for Liver and Kidney traubles and general debility. Only 50c. Satisfaction guaranteed by F. S. Leadbester & Sons, druggists.

Tonic to the System.

For liver troubles and constipation there is nothing better than DeWitt's Little Early Risers, the famous little Pills. They do not weaken the stomach. Their ection upon the system is mild, pleasure and harmless. Bob Moore, of LaFryctte, ind., says: "No use talking, DeWitt's Little Early Risers do their work. All other pills I have used gripe and make me sick in the stomach and never cured me. Dewitt's Little Early Risers proved to be the long-sought relief. They are simply perfect." Persons traveling find Little Early Risers the most reliable remedy to carry with them. Sold by all druggists. Tonic to the System.
